# A Message from our Executive Director:

Welcome! I would like to take this opportunity to congratulate you on your decision to work abroad. As many of you who have lived abroad know, not only will this experience help to expand your understanding of the world, but you will also gain considerable knowledge about your own individual strengths and weaknesses. In fact, simply accepting the challenge to work abroad inherently demonstrates qualities such as independence, self-confidence, adaptability, tolerance, and an enterprising spirit. While you are in the USA, I would like to encourage you to contact Cenet. Having spent more than 15 years living outside the United States, I am always eager to provide my own individual insight if you ever have any specific questions. We look forward to hearing from you!

Sincerely,

Robyn Walker,  
Executive Director

# Pre-Arrival Preparations

# Travel Preparations

- Before you accept a counselor position, you should research the area where your camp is located. This is where you will be living and working, so it is important that you understand the environment.
- Share your arrival information with Cenet and your supervisor prior to departing your home country.
- Before you leave home, plan your transportation from the airport to your camp.
- Some camps will meet you at the airport; others will not. Make sure you understand the arrangements with your camp before you leave.

- Be prepared to share your housing with other counselors and campers.
- Ensure you understand what is provided by your camp and what you will need to bring yourself.

# Transportation

- Transportation options vary among different cities in the U.S. Be sure to research available options in your community.

# Health Insurance

The U.S. healthcare system is very different from most countries.

- Healthcare in the U.S. is expensive. Your insurance does not cover everything.
- Dental care, eye care, and pre-existing conditions are not covered.
- There is a \$50 deductible (amount you must pay) per illness or injury.
- A deductible of \$350 will apply per hospital emergency room visit per covered illness or injury (this will be waived if you are admitted to the hospital).
- You will pay for prescriptions and then make a claim to receive reimbursement.

**cenet**

# Health Insurance

- The insurance that Cenet arranges includes testing and treatment coverage for COVID-19:
  - If you are experiencing symptoms
  - If you did not have symptoms at the time of departure from your home country
- Testing and treatment is subject to the usual \$50 deductible and \$350 hospital emergency room copay. Antibody testing is not covered.
- **Do not depart for the U.S. if you are experiencing symptoms!**

  - Send the following documents to Cenet:
    - Your original DS-2019
    - A letter of approval from your camp confirming the dates of travel
