

SUMMER WORK TRAVEL PROGRAM

Thank you for your interest in the BridgeUSA cultural exchange program! Cenet is designated by the U.S. Department of State as an authorized J-1 Visa sponsor. Cenet's mission is to inspire a safer, more prosperous, and compassionate world through international education and cultural exploration.

As a host organization and representatives of your local community, you and your staff have the opportunity to facilitate a rich exchange experience for Summer Work Travel participants.

Program Overview

- The Summer Work Travel Program is a cultural exchange program with a work component. The work is meant to offset the costs of the program, thus affording a larger and more diverse group of individuals the opportunity to participate.
- The program gives participants the opportunity to immerse themselves in U.S. culture while living and working in the U.S. for up to four months during their summer vacation.
- Participants are allowed to work at second jobs during their program. However, all positions must be vetted and approved by Cenet before the participant can legally begin working. Additionally, their second position must not interfere with their primary employment.

Host Company Documentation

- All host companies are required to submit a current business license and proof of workers compensation insurance coverage, in addition to a fully completed Cenet job offer form. Other documentation may be requested on an as-needed basis.
- All positions must be seasonal or temporary in nature. Cenet may require further information to confirm the seasonality of the position.
- Host companies are also responsible for ensuring that Summer Work Travel participants are not displacing any full-time or part-time U.S. workers. We may ask for evidence of the advertisements you use to promote your positions to local workers.

Requirements for Summer Work Travel Participants

- Participants must receive an average of 32 hours per week for the duration of their program to ensure they can meet the cost of living.
- Students must make the same wage as their U.S. counterparts employed in the same position.
- Overtime pay must be provided in accordance with federal regulations.
- Participants should not be scheduled in overnight shifts.

Host Company Obligations

- Provide a supportive environment for the participant.
- Create opportunities for the participant to be exposed to U.S. culture, both at the workplace and off duty.
- Keep lines of communication open so we can work together to provide the participant with the best experience possible. Cenet will be in contact with you prior to the participant's arrival and throughout the duration of the program.
- Contact Cenet at any time with specific program inquiries or with issues concerning work performance, participant health, etc.

For more information, please visit our website at www.cenet.org, call the Cenet office at 573-335-7111, or email us at summer@cenet.org.

We look forward to hearing from you!
