A Message from our Executive Director:

Welcome! I would like to take this opportunity to congratulate you on your decision to train abroad. As many of you who have lived abroad know, not only will this experience help to expand your understanding of the world, but you will also gain considerable knowledge about your own individual strengths and weaknesses. In fact, simply accepting the challenge to intern or train abroad inherently demonstrates qualities such as independence, self-confidence, adaptability, tolerance, and an enterprising spirit. While you are in the USA, I would like to encourage you to contact Cenet. Having spent more than 15 years living outside the United States, I am always eager to provide my own individual insight if you ever have any specific questions. We look forward to hearing from you!

Sincerely,

Robyn Walker,
Executive Director

Please take a moment to watch the video above to see an Exchange Visitor program alumni reflect on his program experience, 45 years later. We hope this inspires you to get out there and make the most of your time in the United States!
